Reserve El Palmar

El Palmar is an extraordinary place in the Southeastern Mexican. An area where they live migratory waterfowl, such as duck Canadian, which winters and reproduce in area.

The Reserve is a special place in Yucatan because **its abundant flora and varied fauna.** This wetland area is the habitat of a colony of **pink flamingo that is distinguished by its unique color.** It is ideal for lovers of ecotourism.

What does GlamLot mean?

"Glamlot" is the combination of the words:
"Glamor and" "Lots" are exclusive investment lots,
located near the beach and mangrove, minutes from Sisal,
one of the 4 Pueblo Mágico in Yucatan

Sisal, Pueblo Mágico

During the colony, Sisal was a port of great commercial and political importance in the Gulf of Mexico. The colonial Sisal, today rises as Pueblo Mágico for the immensity of its biodiversity and the warmth of its people. It belongs to an area of great eco-tourism influence for the Caribbean.
